

## Changing Society Reflective Essay

Think about the issues presented in class and write an essay that expresses your thoughts and feelings about them.

Introduction—Why does society have to change

Body #1—Which are the most important issues, why?

Body #2—Have your opinions changed about these issues, how?

Body #3—Which of these issue do you think will actually change over time, why?

Body #4—How do you feel about these issues today, how will you feel in 5 years, 10 years, 25 years?

Conclusion—What I learned through this project
