Abstract #1

### Olmecs

This article contains information about the following:

- Origins of the Mesoamerican cultures
- 1200-400 BCE
- San Lorenzo and La Venta are most investigated sites in lower regions
- Evidence of agriculture, society, interactions between groups
- Chalcatzingo (ca. 1000-500 B.C.), and Teopantecuanitlan (ca. 900-600 B.C.) were highland sites
- Art and writing

We will be using this information for our **Society** section of our project.

You will find the citation at the **BOTTOM** of the articles in ABC-CLIO. Just cut and paste.
